

HI-STAB, Membrane Solution

Certificate of Analysis

\\Diagnostics\Datasheet\COA til Web\Word-Docs\HI-STABSCOA01

Cat. no.: 4760

Lot. no.:

Date of manufacture:

Exp. Date: . (When stored at 4 °C in an unopened bottle).

Specifications: Appearance: No visible matter.

Specific staining in Membrane immunoassay:
Colour intensity comparable to reference lot.

Background Staining:
Absence of cross-reaction with human IgG on Membrane Immunoassay.

pH : 8,60 – 8,80

Results: Appearance:

Specific staining in Membrane immunoassay:

Background Staining:

pH:

Storage: Short term storage: Ambient; protected from light.
Long term storage: 4 °C; protected from light.
